Terms & Conditions

Marketplace Terms

This website is owned and operated by GameDev Network Limited, a company incorporated in England (company number 8951892; VAT number 202253758) whose registered office is at Baltic Co-Working Space, 12 Jordan Street, Liverpool, UK, L1 0BP ("GDN" or "we" or "us"). Our site features an online marketplace which allows registered users of our site ("Members") to sell and purchase a licence in respect of Assets ("Marketplace").

These terms ("Marketplace Terms") govern how the Marketplace operates, how Assets may be licensed via the Marketplace, how such licences may be sold and purchased and how the relevant Assets may be used. These Marketplace Terms apply in addition to the [Terms of Website Use](#), [Acceptable Use Policy](#), [Privacy Policy](#) and our [Cookie Policy](#).

Please read these Marketplace Terms carefully and make sure that you understand them, before using the Marketplace. In particular, please note the provisions of clauses 3.6 and 3.7 which affect your cancellation rights.

Please note that by using the Marketplace (whether as a Purchaser or Seller), you agree to be bound by these Marketplace Terms and the other documents expressly referred to in it.

"Derivative Work" means a modification or addition to a Licensed Asset or any other form in which a Licensed Asset may be recast, transformed or adapted.

3.3. The prices of the Licences ("Purchase Prices") will be as quoted on the Marketplace from time to time.

3.4. The Marketplace contains a large number of Assets. The Purchaser and Seller acknowledge and agree that despite GDN's reasonable precautions, Purchase Prices may be listed at an incorrect price or with incorrect information due to a typographical error or similar oversight. In these circumstances, GDN reserves the right to cancel or reverse a transaction, even after an order has been confirmed and a payment has been processed. If a transaction is cancelled, GDN will arrange for any payment to be credited or refunded.

3.5. For the steps the Purchaser needs to take to place an order on the Marketplace, see the "How To Buy" page.

3.6. By virtue of submitting an order for a Licence via the Marketplace, the Purchaser shall be deemed to have consented to being supplied the applicable Licensed Asset for download in accordance with clause 3.13 before the end of any statutory cancellation period to which the Purchaser would otherwise be entitled and the Purchaser acknowledges that, as a result, the Purchaser will lose any such cancellation right and GDN hereby confirms to the Purchaser such consent and acknowledgement.

3.7. Neither the Seller nor the Purchaser may cancel an order for a Licence once the order has been submitted via the Marketplace.

3.8. GDN does not give any undertaking as to the continued availability of Assets offered for Licence via the Marketplace.

3.12. A Licence shall be granted simultaneously from the Seller to GDN and (by way of sub-licence thereof) from GDN to the Purchaser and shall become effective once GDN has issued the Purchase Confirmation. For the avoidance of doubt, GDN's entry into a Licence with a Seller is subject to and conditional upon GDN entering into a related Licence with a Purchaser and receiving the Purchase Price from the Purchaser, failing which GDN shall not be bound by the Licence with the Seller and GDN's entry into a Licence with a Purchaser is subject to and conditional upon GDN entering into a related Licence with a Seller, failing which GDN shall not be bound by the Licence with the Purchaser.

3.13. A Licensed Asset may be downloaded by the Purchaser from the Marketplace immediately following notification of its availability for download by GDN.

3.14. Subject to clauses 3.8 and 3.16(d), during its availability on the Marketplace a Licensed Asset and each new version (if any) of that Licensed Asset may be downloaded by the Purchaser from the Marketplace no more than five times.

3.15. Should the Purchaser wish to obtain a full or partial refund in relation to a Licence, the Purchaser should contact GDN to mediate and resolve the dispute.

3.16. For the avoidance of doubt, neither the Seller nor GDN shall be obliged to provide a refund in respect of a Licence where the Purchaser;

a) no longer wishes to make use of a Licence or Licensed Asset;

b) purchased the Licence by mistake;

c) does not have sufficient expertise to use the Licensed Asset; or

(b) use the Licensed Asset and any Derivative Works as part of both Non-Monetized Media Products and Monetized Media Products, with no restriction on the number of projects the Licensed Asset may be used in. In either case, the Licensed Assets can be used in Media Products that are either:

6.2. For each Licensed Asset, the Seller shall be entitled to payment by GDN of 70% of the Purchase Price received by GDN ("Seller's Revenue").

6.3. Subject to clause 6.4, on each occasion the total of the Seller's Revenue arising from sale of Licensed Assets via the Marketplace reaches or exceeds the value of \$25.00 (TWENTY FIVE US DOLLARS), the Seller may request payment of the Seller's Revenue by GDN ("Withdrawal").

6.4. The Seller may not make more than one Withdrawal in any two calendar weeks.

6.5. Any and all transaction fees due in connection with a Withdrawal (including, but not limited to, Paypal fees) shall be payable by the Seller. 6.9. The Seller warrants that:

- (a) it is the sole legal and exclusive owner of all intellectual property rights in each Asset;
- (b) the Asset does not infringe the rights of any third party;
- (c) the exercise by GDN of rights granted under these Marketplace Terms (including sub-licensing Licences to Purchasers) will not infringe the rights of any person;
- (d) the Asset does not contain viruses or other computer codes, files or programs which are designed to limit or destroy the functionality of other computer software or hardware;
- (e) the Asset shall not create liability for GDN or cause GDN to lose (in whole or in part) the services of its ISP or other suppliers;
- (f) the Asset shall not cause GDN to violate any applicable law, statute, ordinance or regulation by making it available on the Marketplace; and
- (g) the Asset complies with the Content Standards set out in our [Acceptable Use Policy](#).

6.10. The Seller acknowledges and agrees that if GDN determines, in its absolute discretion, or is notified by a third party, that an Asset does not comply with any applicable laws and/or these Marketplace Terms, GDN may disable the Seller's account and withhold all amounts that the Seller may have earned from the sale of Licences in respect of the relevant Asset until any dispute in relation to the Asset has been resolved to the satisfaction of GDN.

6.11. The Seller acknowledges and agrees that GDN may, at its sole discretion, elect at any time and for any reason to remove Assets from the Marketplace without notice to the Seller. GDN is not responsible for any loss that the Seller may suffer as a result an Asset being removed from the Marketplace by GDN.

7. OWNERSHIP OF ASSETS, DERIVATIVE WORKS AND MEDIA PRODUCT

7.1. Any and all intellectual property rights in the Asset shall be owned by the Seller.

7.2. Any and all intellectual property rights in Derivative Works shall be owned by the Seller. To the extent that any such intellectual property rights automatically vest in the Purchaser, then in consideration of the Licence granted to the Purchaser to create Derivative Works (which the Purchaser hereby acknowledges is adequate and sufficient consideration) the Purchaser hereby assigns by way of present and future assignment, any and all such rights to the Seller. The Purchaser shall execute and deliver such documents and perform such acts as may be required for the purpose of giving evidence of and/or full effect to such assignment.

7.3. Subject to clauses 7.1 and 7.2, any and all intellectual property rights in the Media Product shall be owned by the Purchaser.

8. LIMITATIONS AND EXCLUSIONS OF LIABILITY

8.1. This clause 8 applies in addition to the limitations and exclusions of GDN's liability set out in the [Terms of Website Use](#).

8.2. GDN does not have any control over, and does not take any responsibility for, the quality, safety or legality of any Asset uploaded to, or downloaded from, the Marketplace by a Member.

8.3. GDN does not warrant that the Assets or any content, code, data or materials uploaded to, or downloaded from, the Marketplace does not infringe the intellectual property rights of a third party. Each Seller is required to warrant that its Asset does not infringe the intellectual property rights of any third party.

8.4. To the fullest extent permitted by law, GDN shall not be liable to any Member for any costs, expenses, loss or damage (whether direct, indirect or consequential and whether economic or other) arising from GDN's exercise of the rights granted to it under these Marketplace Terms (including sub-licensing Licences to Purchasers).

8.5. Each Member shall indemnify GDN against all liabilities, costs, expenses, damages or losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other professional costs and expenses) suffered or incurred by GDN arising out of or in connection with:

(a) GDN's exercise of the rights granted to it under these Marketplace Terms (including sub-licensing Licences to Purchasers); and/or

(b) the enforcement of these Marketplace Terms.

8.6. Nothing in these Marketplace Terms shall have the effect of excluding or limiting any liability for death or personal injury caused by negligence or any liability for fraud or fraudulent misrepresentation.

9. GENERAL

9.1. GDN may sub-contract, sub-license, delegate or otherwise transfer GDN's rights and obligations under these Marketplace Terms to another organisation, but this will not affect a Member's rights under these Marketplace Terms.

9.2. A Member may only sub-contract, sub-license, delegate or otherwise transfer its rights or its obligations under these Marketplace Terms to another person if GDN agrees in writing.

9.3. Each clause of these Marketplace Terms operates separately. If any court or relevant authority decides that any of them are unlawful or unenforceable, the remaining clauses will remain in full force and effect.

9.4. If GDN fails to insist that a Member performs any of its obligations under these Marketplace Terms, or if GDN does not enforce GDN's rights against a Member, or if GDN delays in doing so, that will not mean that GDN has waived GDN's rights against the Member and will not mean that Members do not have to comply with those obligations. If GDN does waive a default by a Member,

GDN will only do so in writing, and that will not mean that GDN will automatically waive any later default by a Member.

9.5. These Marketplace Terms are governed by English law. This means these Marketplace Terms and any dispute or claim arising out of or in connection with them or the Marketplace will be governed by English law. The courts of England and Wales will have exclusive jurisdiction.

("interactive services"). Where we do provide any interactive service, we will provide clear information to you about the kind of service offered, if it is moderated and what form of moderation is used (including whether it is human or technical). We will do our best to assess any possible risks for users (and in particular, for children) from third parties when they use any interactive service provided on our site, and we will decide in each case whether it is appropriate to use moderation of the relevant service (including what kind of moderation to use) in the light of those risks. However, we are under no obligation to oversee, monitor or moderate any interactive service we provide on our site, and we expressly exclude our liability for any loss or damage arising from the use of any interactive service by a user in contravention of our Content Standards, whether the service is moderated or not. The use of any of our interactive services by a minor is subject to the consent of their parent or guardian. We advise parents who permit their children to use an interactive service that it is important that they communicate with their children about their safety online, as moderation is not foolproof. Minors who are using any interactive service should be made aware of the potential risks to them. Where we do moderate an interactive service, we will normally provide you with a means of contacting the moderator, should a concern or difficulty arise.

We will determine, in our discretion, whether there has been a breach of this acceptable use policy through your use of our site. When a breach of this policy has occurred, we may take such action as we deem appropriate. - Immediate, temporary or permanent withdrawal of your right to use our site.
- Immediate, temporary or permanent removal of any posting or material uploaded by you to our site.
- Issue of a warning to you.
